Registered charity no.: England & Wales 1131072;  
Scotland SCO47740

## **Spare Stoma Equipment**

If you have any stoma equipment/appliances that you are no longer using or do not need, they can be sent abroad to countries where people are less fortunate than us and may be unable to afford the products they need.

The products need to be within their use-by dates and in their original packaging.
